## EVENT PROMOTION BIOGRAPHY

Meet Dorothy Erlanger: goal-getter, thought leader, obstacle-slayer. Her message is profound and simple: Obstacles Become Your Path to Greatness. Having a birth defect proved to be the catalyst to success for Dorothy. Figuring out things on her own became her only normal. After a triumphant battle with ovarian cancer at 50, Erlanger set out to be a triathlete. With perseverance, Dorothy achieved that goal and took it to the extreme. She has competed in World Championship Triathlons four times – so far.

Dorothy incites teams to become more productive, streamline organizational processes, and foster sustainable growth. Dorothy's contagious charisma matched with her insatiable drive keeps audiences fully engaged and eager to embark on their next hundred yards.
